Employees

It is the policy of the Board that:

1. No employees shall be prevented from continuing in his/her employment solely on the basis of his/her HIV status; such employees are entitled to all rights, privileges, and services accorded to other employees and shall be entitled to reasonable accommodations to the extent that such accommodations enable such individuals to perform their duties.

HIV/AIDS Testing

	No school official shall require a student or employee to undergo an HIV antibody test or other HIV-related test. In accordance with OSHA regulations in the event of an incident involving the exposure one individual to a potentially
u	
·	which contains visible blood, an HIV test may be requested but NOT required. The request and refusal must be documented.
	However, school officials shall not be precluded from requiring a student or employee to undergo a physical examination pursuant to Education Law §§903 and 913 when other illness is suspected (a a_tuberculosis) as long as no UIV
