

PUBLIC INFORMATION PROGRAM

The Board of Education shall maintain a continuing public information program in order to promote widespread understanding of the school program

and to gain the support and participation of the community in the school system.

In addition to encouraging members of the community to attend and participate in public Board meetings, the Superintendent of Schools shall develop a program aimed at disseminating information about Board policies, procedures, actions and district educational programs to the public. Such a program shall include establishing a district newsletter and disseminating the information through the District Website or printed material.

The Superintendent (or his/her designee) should coordinate the activities
