If you receive an error message, we could not securely connect you to your score data. Double-check your account information and entered access code to ensure no typos occurred. Specifically, check that your first and last names within your collegeboard.com account match exactly as they appear on your paper score report. Also verify that your date of birth is correct. To review your account information, click the **Update My Info** link.

You will be asked to supply your password again as an additional measure of security. Enter it in and click the **Submit** button.

You will be presented with your personal profile page. Verify your information, make any edits, and click the **Update** button.
